

TRANSLATION SERVICE

While “Interpreting” has to do with verbal communication from one language to another, “Translation” is in written form. Verbatim Language Services, Inc. maintains a team of skilled Translators in many languages. From translation of Forms to Policy Manuals, from Memos to Books, Brochures and Certificates, Verbatim offers hard-copy translations, translations on flash drives, burned onto discs, etc. Prices depend on complexity of content and the volume of the translation.

Why not call and ask for your FREE 20-30 minute presentation to demonstrate how easy our Interpreting Service really is. After the presentation, you will be entitled to one FREE live Interpreting Session of 1 hour!

HELP WITH APPOINTMENT SETTING

Obtaining an Interpreter is one thing. Setting an appointment with a patient or client is another matter. Verbatim Language Services, Inc provides a solution. If the appointment needs to be communicated in Spanish, simply call our office's toll-free number and we will use our 3-way calling system to set the appointment while you are on the line. If the appointment needs to be communicated in a different language, we will arrange for the appropriate language Interpreter to either contact the patient/client to set or confirm the appointment or arrange for the Interpreter to call the patient/client from your facility. That certainly makes things much easier!
