HELP WITH APPOINTMENT SETTING

Obtaining an Interpreter is one thing. Setting an appointment with a client is another matter. Verbatim Language Services, Inc provides a solution. If the appointment needs to be communicated in Spanish, simply call our office's toll-free number (800-979-6970) and we will use our 3-way calling system to set the appointment while you are on the line. If the appointment needs to be communicated in a different language, we will arrange for the appropriate language Interpreter to either contact the client to set or confirm the appointment or arrange for the Interpreter to call the client from your facility. That certainly makes things easier!
